Summary/ Analysis / Recommendations:

ESN 577787 and ESN 577788 have been checked for primary parameters shifts from baselines and for secondary parameters limits as per approved maintenance manuals.

ESN577787 N1 Vibs issue: On 20/09/2024 h15:25 CFM confirms that CNR 20240220020 has to be closed without any further maintenance action "Due to the A/C check and when looking at the last trends available that recovered"
