Summary/ Analysis / Recommendations:

ESN 577828 and ESN 577829 have been checked for primary parameters shifts from baselines and for secondary parameters limits as per approved maintenance manuals.
 Engine Oil Consumption reveals no shift from average values and no sudden shifts; the AMM Limits are respected.
 CFMI Portal highlights no alert referred to the same engines.

ESN577829:

TFL0037437 dated January 12th, 2025 reports a bird strike on eng#02 and RH wing. Insp as per AMM05-51-14-200-802-A carried out satis with no findings and no damage found. Check the parameters in the next days
